SALE NOTES

PLACE OF SALE - **THE CLUB ROOM, STOW-ON-THE-WOLD RUGBY CLUB GROUND**, situated one mile from Stow-on-the-Wold on the Chipping Norton Road (A436). Stow-on-the-Wold (on the Fosseway - A429) is 18 miles from Cheltenham, 10 miles from Chipping Norton and 18 miles from Cirencester.

BIDDING NUMBERS – Please note that these will be used. **Please register** on arrival at the sale room.

THE SALE - Unless otherwise stated, all lots comprise baled Hay & Straw from the 2015 season.

VIEWING - may be at any time during daylight hours by prospective purchasers in possession of a Sale Catalogue. Appointments are not necessary, unless specifically indicated in the Catalogue.

HELP TO LOAD – unless specifically indicated in the catalogue or at time of sale **HELP TO LOAD WILL BE AVAILABLE** providing at least 24 hours notice is given in order that arrangements can be made. Help to load is limited to the 28 day removal period or such extended period as agreed to by the Vendor under these Conditions of Sale. Private arrangements for an extension of the removal period beyond that stated in the catalogue or announced at the time of sale are strictly a matter between Vendor and Purchaser and we recommend that confirmation is obtained in writing or by email.

CONDITIONS OF SALE

1. The highest bidder shall be the purchaser (subject to any reserve price) and if any dispute arises the lot(s) in dispute to be put up again and resold, or the purchaser may be decided by the Auctioneers, who reserve the right to bid for, withdraw, divide or amalgamate any lots. The sale price shall include loading by the Vendor of all bales unless specified.
2. All descriptive statements contained in advertisements or the catalogue or made by the Auctioneers, before or at the time of sale, are not to be taken as warranties, but as expressions of Vendor's or Auctioneers' opinion, and no warranty is to be implied **and it shall be assumed that the purchaser has inspected the lot(s) he buys and has satisfied himself as to the quantity, quality, description, suitability for purpose or otherwise.**
3. All lots must be removed within 28 days, unless otherwise stated at the time of sale. Any disputes which arise after the expiration of the collection date will be between the Vendor and Purchaser, the Auctioneer's cannot be held liable or responsible for the refund of any monies.
4. All lots are at the purchasers' risk at the fall of the hammer, it is essential, therefore, that **INSURANCE COVER** should be taken out immediately.
5. Any damage caused by the removal of the lots shall be made good by the purchaser to the satisfaction of the Auctioneers and Vendor(s).
6. **TERMS - PAYMENTS IN FULL ON DAY OF SALE** in default of which the Auctioneers reserve the right to withhold delivery. Where payment is by cheque, removal will **NOT** be authorised until the cheque has been cleared. Any late payment for whatever reason will be charged interest at 4% over Lloyds Bank Base Rate.
Debit but not Credit Cards are acceptable. Cheques to be made payable to TAYLER & FLETCHER LTD.
7. **LOTS SOLD PER TONNE OVER THE WEIGHBRIDGE** - In the event of any lot(s) being sold per tonne over the weighbridge, the purchaser will pay to the Auctioneers the full price of the lot, based upon the estimated tonnage in the catalogue at the time of sale. Any adjustment will be made upon receipt of the weight ticket, which must be delivered to the Auctioneers' office at Stow-on-the-Wold within five days of the removal date. The purchaser to pay any weighing charge or toll.

Licensed Bar and Refreshments available throughout the sale.

Messrs A J & P W MASON LLP, Manor Farm, Ablington, Bibury, Gloucestershire, GL7 5NY Tel: **07921 707292**

- 1 40 bales (0.85m x 0.9m x 2.4m) of WHEAT STRAW. Dry, longer length straw. Good tight bales. 4 string. In right hand side of open bay portal frame building on right of yard.

Situated near GARNERS BARN. From the Fosseway at Lovins Garage, just south of Northleach, turn left taking the road to Ablington. After 3.0 miles the farm is the first set of buildings on the right, just opposite the Hangars.

- 2 40 bales (0.85m x 0.9m x 2.4m) of MEADOW HAY. Well-made, nice, soft, dry, green hay with nose. Tight bales. In rear of bays 4 and 5 of 5 bay Dutch Barn. No front bales.

Situated at the OLD WALLS FARM BUILDINGS, from the Fosseway at Lovins Garage, just south of Northleach, turn left taking the road to Ablington. After 2.7 miles opposite some houses take the farm track on the left by a copse, to the farm buildings.

Messrs S.S HORTON & SONS, Poulton Fields Farm, Poulton, Cirencester, Gloucestershire, GL7 5SS Tel: **07831 489694 or 01285 850905**

- 3 100 bales (0.9m x 1.2m x 2.4m) (thought to be BB9080) of MEADOW HAY. Long hay from water meadows, herby. In bay 4 of triple wide black Dutch barn on left as you enter the yard. Weighing at 500kg each. First come first served

Situated at DUDGROVE FARM (GL7 4DX). From Fairford, take the A417 to Lechlade and turn right to Whelford. After approximately 1 mile, turn left to Dudgrove and the farm is at the very end of the road.

Messrs J.D, E.G. & M G JENKINSON, Linten Cottage, Stanmore, Newbury, Berkshire, RG20 8SR Tel: **01635 281334 or 07747 805569**

- 4 120 Claas 2200 bales (0.9m x 1.2m x 2.5m) of MEADOW HAY (2014) from permanent pasture, well made dry longer length hay but looser bales. To rear of barn. Loaded on first come first served basis. Access via side door, which lifts up.

Situated at BUTLERS COURT, LECHLADE. From the A417 Faringdon road travel through Lechlade towards Fairford. At the roundabout, turn right signed "No through road". Continue onto the drive and the buildings are on the left hand side. Barn can be entered by side door whilst the main doors are screwed shut.

Messrs BJ ARKELL & PARTNERS, Great Farm, Whelford, Fairford, Gloucestershire, GL7 4EA Tel: **01285 712301 or 07766 146459**

- 5 180 D4000 bales (0.7m x 0.8m x 2.4m) of WHEAT STRAW. Heavy bales of weathered straw. Loaded from a more accessible farm!

View at POULTRY FARM, Bryworth Lane, Lechlade GL7 3DY. Leaving Lechlade on the A417, taking the first right Southrop, go over the railway bridge and the farm is on the left by the sarsen stone name plate. Drive down track (cars only) and the barn is over the 5 bar gate at the rear.

- 6 90 NH9080 bales of MIXTURE HAY. Soft hay, in tight bales, in bays 3 & 4 bay barn of first barn from road.

Situated at LOWER CHURCH FARM, Little Faringdon. Heading north on the A361 from Lechlade, from the roundabout continue for 0.6mile and turn right after the tall stone wall for Little Faringdon. Continue along the road for 1.2miles where the farm buildings will be found on the left.

Mr K. A. J. HOLDER, Clements Farm, Miserden, Stroud, Gloucestershire, GL6 7HY Tel: **01285 821210 or 07831 202382**

- 7 240 MF2250 bales (0.8m x 0.9m x 2.4m) of MIXTURE HAY (2014/2015). July made, maturer hay of mixed meadow grasses. In bay 3 of 7 bay concrete framed building at rear of yard. Loaded on first come first served basis.

Situated at LYPIATT FARM, MISERDEN. From Birdlip on the B4070, turn left at Fostons Ash pub towards The Camp, after 100 yards turn left onto the Whiteway, continue towards Miserden until at the fork in the road bare right. Lypiatt Farm is clearly signed and is the first farm on the right.

- 8 80 MF2250 bales (0.8m x 0.9m x 2.4m) of SPRING BARLEY STRAW. Very dry but weathered in first portal framed building on the left hand side of yard. Loading on first come first served basis.

Situated at QUARRY BARN, The Camp, Throgham (Nearest postcode GL6 7HG). On leaving Throgham the buildings are the first set on the right hand side.

MOORHOUSE FARMS LTD, c/o Tayler & Fletcher Tel: Jeremy on 07765 007129

- 9 80 Round (4ft) bales of MEADOW HAY (2014). Dry bales of a herby mix. Net wrapped and stacked on pallets in Dutch barn. Will hold back poor bales.

Situated at ERMIN FARM, Daglingworth. Nearest Postcode GL7 2LJ. From Cirencester take the Old Gloucester road out through Stratton. Continue for 1.25 miles after the Cheltenham turn along the straight until you see a layby on the right hand side. The entrance to the locked gate is at the end of this layby. The gate will be locked but please walk down to the buildings in the trees.

Mr D J PRITCHETT, New Barn Farm, Kilkenny, Nr Cheltenham, GL54 4LN Tel: 01242 820647 or 07818 210735

- 10 75 round bales of ORGANIC MEADOW HAY. 4ft Welger 435 baler, of finer grasses, made end of July, net wrapped, on pallets at the back of the first steel portal framed building with roller shutter door on the right when entering the yard.
- 11 75 round bales of ORGANIC MEADOW HAY. 4ft from Welger 435 baler, of finer grasses, made end of July, net wrapped, on pallets at the front of the first steel portal framed building with roller shutter door on the right when entering the yard. Has had rain, so less colour.

PLEASE CALL 24 HOURS IN ADVANCE FOR VIEWING as locked. Situated at COLGATE FARM, Ham Road, GL54 4EZ. When leaving Whittington on the Ham Road, the drive, with two red oxide five bar gates (one of which is to a field), to the farm buildings is approximately 2 miles on the left. No self loading! ORGANIC CERTIFICATE available (Dated to 31/3/16)

Mr B ROBINSON, Middle Farm, Shipton Oliffe, Cheltenham, Gloucestershire, GL54 4HU Tel: 01242 820737 or 07740 683113

- 12 90 tonnes of FODDER BEET. In outside clamp in farm yard to south of the farm buildings.
- RING TO VIEW. Proceed down the A40 from Northleach to Cheltenham. At the traffic lights at Frogmill, turn right, proceeding into Shipton Oliffe, at the first sharp right hand bend turn left, proceed down the track to metal gate, ring for entry to this coded gate.*

Mr T BAXTER, Limes Cottage, Rencomb, Cirencester, Gloucestershire, GL7 7DF
Tel: Toby on 07711 454740 or 01285 831011

- 13 120 tonnes of FODDER BEET. Medium to larger sized beet. In outside stack, lifted mid January.
- Situated on a concrete pad near CHARLTON ABBOTTS. From Andoversford take the A436, continue up Hampen Hill, take the left hand turning just after "Cotswold Trailers", signed Hawling. Continue along the old Salt Way to Roel Gate crossroads, turning left. The beet heap is a mile on the left hand side by a farm building as you descend the hill. (Alternatively, get to Charlton Abbots and take the Guiting Power road where it will be found 1/2 mile on the right!)*
- 14 70 quadrant bales of MEADOW HAY. From arable reversion long-term ley. Dry, short length hay of finer grasses and herbs, lacks colour. First come first served.
- Situated at OUTBUILDINGS CLOSE TO MANOR FARM, Hazleton (near to GL54 4EB). Travelling from the A40 take the left turn to Hazelton. Head towards the village past Cleanacres. Take the next left. After 0.25 mile go through gate and 250m down track to buildings.*

Mr M ARNOLD, Brockhill, Naunton, Cheltenham, Glos., GL54 3AF Tel: 01451 850191

- 15 518 conventional bales of MEADOW HAY. Very dry, medium length, meadow grasses of finer grasses, later cut. At the far left of the first portal framed building on the left as you enter the yard, being opposite house, through large metal sliding doors.

Situated at Brockhill. From Stow take the B4068 Cheltenham road and after 4 miles take the first turn right to Naunton. Brockhill is within quarter of a mile on the right up a long drive. Require 24 hours to load, as reliant on outside help.

Messrs R & A ADAMS & PARTNERS, Lower Farm, Stoke Lyne, Bicester, Oxon, OX27 8SD Tel: 01869 345306 or Robert on 07711 561443
